Dear Parents/Caregivers,

Wow this term has flown past. As this note is short notice we won’t be having our traditional shared morning tea tomorrow but the children will still have their Prize Box Day which is a reward for continued good behaviour throughout the term. We start back with a busy Term 2 on April 11th. Some dates to keep in mind

- I would like to schedule parent interviews in the first and second week back in term 2. Please let me know your preferred times
- School Photo’s will be the Tuesday 26th April at 9am
- Cross Country will be held at Darlington this year on Thursday 28th April. The P & C will cater for this but details will be discussed first week back.
- 29th April Dance Fever MultiSports will be delivering a Gymnastics program for the rest of Term 2 which has been made possible through the school obtaining a Sporting Schools Grant.
- May 3rd & 4th the school will be having its quadrennial school view.
- Leadership day will be held after these events with the date being advised early next term.

**Library** – Please return all library book to school tomorrow before the holidays.

Also attached are various flyers promoting local events to be held over the school holidays.

I would like to congratulate all the children on their exceptional efforts this term in working towards better results in reading, spelling and attendance!

I would like to wish all the students, staff and families a safe and happy Easter.

Have a lovely break and keep training team!

Kind Regards

Claire Roberts
