Dear Parents/Caregivers,

This term is quickly coming to an end and to celebrate we are having a Dance Fever display on Friday at 2.15pm followed by a short parade. The children have enjoyed the Dance Fever Multisport company coming to our school for the last two terms and I hope to be able to have them come back again next year for similar lessons. Next term, we will concentrate on our learn to swim program with lessons once a week for a few consecutive weeks beginning after our school camp.

Our school camp is in the second week after the school holidays and so far we have had lots of interest from parents wishing to attend. I am so thrilled that we have been able to make this camp free of charge for the children and I cannot thank you enough for ensuring that all of our children have an equal opportunity to participate in this adventure. Your kind gestures and hard work for our school is really remarkable.

The Woolworths Earn and Learn promotion has come to a close so please send along any remaining stickers that you may have.

Also please send in your favourite family recipes to be included in an up-dated version of the Darlington Cookbook for our 125th celebrations. If you could put the recipe in 'Word' and include a short anecdote about you family or a story that would reflect a memory about your association with the school and perhaps a photograph, this will help to make our book more interesting to others who may wish to purchase a copy of our book on our anniversary market day. I would really appreciate these before the holidays if possible, so that I can start to put this together.

Thank you
Claire Roberts
