Under this agreement for 2014
Darlington State School will receive $5000

This funding will be used to

- Improve student outcomes in literacy and numeracy so that 100% of year 3/5 children will meet the National Minimum standards in 2014
- Implement an individual learning plan for all children in years 3/5 and 7 by the end of term 1 2014 and for children in years prep 1/2/4/6 by end of term 2 2014 to address specific learning needs
- Increase the % of prep children reading PM Level 9 by the end of prep to 75%
- Increase the % of children in years 4 and 6 in the U2B for 2015 to 66%

Our strategy will be to

- Implement a daily sight word, spelling and reading program that is supported by parent helpers
- Implement a daily number facts and number study program
- Monitor student performance in sight words, spelling and reading on a weekly basis
- Use data from diagnostic tests, C2C units and weekly monitoring tasks to develop and review ILPT
- Increase parent involvement and support by providing opportunities to discuss their child's progress twice per term with the teaching team
- Provide access to resources and programs that cater for the individual learning needs of our gifted and talented students
- Improve teacher and teacher aide capacity through focused professional development in reading
